Yes, Neil likes to take donuts when he visits a WFO. I recommend stopping on the way and he will run in to pick up a dozen or so. Don't need to worry about ordering ahead of time. Thanks for finding a location they look yummy.

Hi Julie,

I understand that Dr. Jacobs would like to take donuts to the WFO on Saturday morning. I have found a donut shop that is about a 5 minute drive from Nico's (restaurant where we will have breakfast). I would recommend that we order the donuts in advance and then swing by to pick them up when we leave Nico's en route to the WFO so that we do not have to wait (apparently the place is popular). Here is the link to the shop:

I am happy to place this order if you would let me know how many donuts he would like to bring and if he has any flavor preferences.

Thanks,  
Brittany
